INTRODUCTION

Good afternoon.

My name is Franz and I represent a company that has been selling refurbished equipment of the Petkus brand for 15 years. Over the past 3 years, we have expanded our supplies to the EU market.

We are glad that you are interested in K531 cleaner. This is very simple cleaning machines, but it still allows you to clean any kind of seed. K531 available for preorder, so we can conclude a contract the approximate delivery time is about 4 weeks.

If you have any questions feel free to contact us by phone +48 721 631 393 or find it in Whatsapp so we can chat using instant messengers.

All equipment that we sale with excluding VAT price. You will receive invoice from EU Company to avoid any sanction effects.

ABOUT PAYMENT

As you understand, we face with large numbers of orders for last 2 years. This means that we work like a factory: we request initial deposit at least 20% of total invoice to place order. The rest you will need to send before truck with equipment leaving our facility.

All payments made to our company BANK account, via SWIFT system.

Time of waiting always different, closer to summer 2024 season we expect average waiting time about 2 month. So please kind that in mind.

TO GET INVOICE

In order to conclude a contract, you must provide:

- Company name (Surname First name in case of payment by an individual)
- Address
- Value added taxpayer number or registration number of your company (Passport number in case of payment by an individual)
- Contact phone number

QUALITY OF EQUIPMENT

I attach a photo of the K531 sample. The grain cleaner will be fully operational and in good working order after renovation. We complete it with a new electric motor, sieve frames, V-belts, bearings, gears, shafts. Wooden sieve frames with sieves for cleaning seeds are in price of cleaner.

Usually we install sieves for cleaning wheat (the upper level of the sieve is 6 round, the lower level is 2.2 oblong). However, we will be able to change these dimensions to those that you indicate. One set of sieves is included in the price of any cleaner.

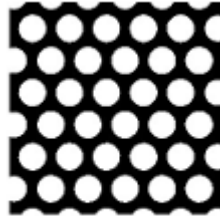

We always allow our client to choose the color: beige, blue or green.

ADDITIONAL EQUIPMENT

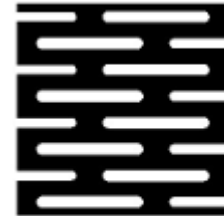

- **Sieves** 55eur per size (consist from 2 pieces to cover one level frame).

Bottom and top Frames are same size
